**"It creates a sense of pride for my guys to create their own workstations and yet it's one standardized system throughout the shop. My guys love them."**

*- Dave Ligget, Production Manager*

**"We've probably made over a million dollars worth of products on this table, and have only scratched the surface, literally. Don't think about it. Just get one."**

*- Foster Welding*

**"Our QC guy is very pleased with how the bus walls come off, as they laminate the walls with a thin skin and any offset at the joints show up... We're really appreciating our Flextur products."**

*- John Martin, Owner- Southwest Welding*

**"Mobility is Key. We are tight on space and being able to roll our tools in and out based on what we are doing is a game changer, even cleaning up is easier."**

*- Conrad Schrock, Rockwood*
